becomes the counterparty to the relevant Clearing Participant and therefore both become subject to the rights and obligations under the Trade Leg registered in the name of the Clearing Participant.

3.12.3 The Clearing Participant accepts that a Trade Leg will arise based on the information contained in the Posting of a Trade.

3.12.4 Creation of a Trade Leg takes place per Gross Trade.

Upon such request by EuroCCP the Clearing Participant shall arrange for EuroCCP to be authorised to provide the requisite delivery or payment instructions on behalf of the Clearing Participant to a CSD, the settlement agent of the Clearing Participant or the settlement agent of a Trading Participant, as the case may be, in accordance with the Regulation Settlement.

pay each Clearing Participant on the basis of Open Positions, or the open positions as booked in any sub-account, if applicable, registered in the name of the Clearing Participant. The fulfilment by EuroCCP of its obligations towards a certain Clearing Participant is conditional upon the timely performance by such Clearing Participant of its own obligations. EuroCCP may, but is under no obligation to, start the buy-in procedure as set out in the Regulation Buy-in Procedure, if a Clearing Participant does not deliver Securities on time to the relevant Settlement Address. In the event no buy-in procedure is started and in the event a Clearing Participant fails to provide funds on time to the relevant Settlement Address, the provisions of the Regulation Fees and Penalties shall apply.

In the event of a Fail, article 10.4 applies.

9.4.2 If a Notice of Default has been sent in respect to a Clearing Participant, EuroCCP may specify a date (the **Liquidation Date**). EuroCCP will notify in writing the defaulting Clearing Participant of the Liquidation Date. After such notification:

(a) per the Liquidation Date in accordance with sub-articles 9.4.2(c) and 9.4.2(d), EuroCCP will determine a Liquidation Amount for each Position Account as applicable;

EuroCCP shall notify the Clearing Participant of the Liquidation Amount, specifying the Liquidation Amount per Position Account, immediately after the calculation of such amount.

- 9.4.6 If a Breach has occurred in relation to a Clearing Participant, and EuroCCP has sent a Notice of Default to that Clearing Participant, EuroCCP will only allow that defaulting Clearing Participant to recommence its activities as Clearing Participant after the payment of all obligations of that Clearing Participant towards EuroCCP. Any payment made by the defaulting Clearing Participant to EuroCCP including interest will be credited in the reverse order of the order in which EuroCCP has applied the Clearing Fund, taking into account article 8.5, and its own or other funds to cover the losses caused by that Breach.
