

EuroCCP provides clearing members with easy access and the ability to maximise operational efficiency and netting opportunities across more than 37 stock exchanges, multilateral trading facilities and trade sources in Europe.

EuroCCP is Europe's leading and most connected equities CCP.

## Key Facts

- Headquartered in Amsterdam, an Open Access, EU based CCP, EMIR compliant
- Regulated by the Dutch Central Bank and the Dutch Authority for the Financial Markets
- Dedicated customer service functions in London and Amsterdam
- Partnering with members across Europe through member governance and working groups
- Best in class customer service, risk management, operations and technical infrastructure
- Direct access to T2S and Nordic, UK CSDs and ICSDs
- Track record on product implementation and innovation with market consultation

## Providing clearing access to over 95% of cash equity trades executed on markets in Europe

EuroCCP continues to develop innovative solutions aimed at increasing post-trade efficiency and advocating and developing operational and risk models. This includes championing open access across Europe, developing services to clear ETF & ETPs, Buy-Side clearing access & settlement solutions.

## Becoming a client of EuroCCP

Clearing firms, brokers and investment firms already utilise EuroCCP. These institutions may also act as a General Clearing Member and provide access for underlying clients. If you wish to become a member with EuroCCP there are two membership options:

1. Become a General Clearing Participant (GCP)
2. Become a Direct Clearing Participant (DCP)

If you would like to discuss the benefits of EuroCCP and membership options please contact a member of the relationship management team.
